1. Identification

Product identifier: Heavy Duty Sealer
Other means of identification: None.
Recommended use: Treatment of natural stone surfaces.
Recommended restrictions: None known.

Manufacturer/Importer/Supplier/Distributor information
Company Name: LATICRETE International
Address: 1 Laticrete Park, N
Bethany, CT 06524
Telephone: (203)-393-0010
Contact person: Steve Fine
Website: www.laticrete.com
Emergency phone number: Call CHEMTREC day or night
USA/Canada - 1.800.424.9300
Mexico - 1.800.681.9531
Outside USA/Canada - 1.703.527.3887

2. Hazard(s) identification

Physical hazards: Not classified.
Health hazards: Not classified.
OSHA defined hazards: Not classified.

Label elements

Hazard symbol: None.
Signal word: None.
Hazard statement: None.
Precautionary statement
Prevention: Observe good industrial hygiene practices.
Response: No specific first aid measures noted.
Storage: Store away from incompatible materials.
Disposal: Dispose of waste and residues in accordance with local authority requirements.

Hazard(s) not otherwise classified (HNOC): None known.

3. Composition/information on ingredients

Mixtures

<table>
<thead>
<tr>
<th>Chemical name</th>

Composition comments: All concentrations are in percent by weight unless ingredient is a gas. Gas concentrations are in percent by volume.

4. First-aid measures

Inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if any discomfort continues.
### Skin contact
Wash skin with soap and water. Get medical attention if symptoms occur.

### Eye contact
Flush eyes thoroughly with water for at least 15 minutes. Get medical attention if symptoms persist.

### Ingestion
Rinse mouth. Do not induce vomiting. Get medical attention if any discomfort continues.

### Most important symptoms/effects, acute and delayed
Symptoms include redness, itching and pain.

### Indication of immediate medical attention and special treatment needed
Treat symptomatically.

### General information
Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

### 5. Fire-fighting measures
- **Suitable extinguishing media**
  - Alcohol resistant foam. Water fog. Dry chemical powder. Carbon dioxide (CO2).
- **Unsuitable extinguishing media**
  - Do not use water jet as an extinguisher, as this will spread the fire.
- **Specific hazards arising from the chemical**
  - During fire, gases hazardous to health may be formed.
- **Special protective equipment and precautions for firefighters**
  - Self-contained breathing apparatus and full protective clothing must be worn in case of fire.
- **Fire fighting equipment/instructions**
  - In case of fire and/or explosion do not breathe fumes. Move containers from fire area if you can do so without risk. Use water spray to cool unopened containers.

### 6. Accidental release measures
- **Personal precautions, protective equipment and emergency procedures**
  - Wear appropriate protective equipment and clothing during clean-up. Ensure adequate ventilation. Local authorities should be advised if significant spillages cannot be contained.
- **Methods and materials for containment and cleaning up**
  - Large Spills: Stop the flow of material, if this is without risk. Dike the spilled material, where this is possible. Absorb in vermiculite, dry sand or earth and place into containers. Following product recovery, flush area with water.
  - Small Spills: Wipe up with absorbent material (e.g. cloth, fleece). Clean surface thoroughly to remove residual contamination.
  - Never return spills in original containers for re-use. For waste disposal, see Section 13 of the SDS.
- **Environmental precautions**
  - Environmental manager must be informed of all major releases.

### 7. Handling and storage
- **Precautions for safe handling**
  - Do not breathe mist or vapor. Do not get in eyes, on skin, on clothing. Use with adequate ventilation. Wear appropriate personal protective equipment. Observe good industrial hygiene practices.
- **Conditions for safe storage, including any incompatibilities**
  - Keep container tightly closed. Store in a cool and well-ventilated place.

### 8. Exposure controls/personal protection
- **Occupational exposure limits**
  - No exposure limits noted for ingredient(s).
- **Biological limit values**
  - No biological exposure limits noted for the ingredient(s).
- **Appropriate engineering controls**
  - Good general ventilation (typically 10 air changes per hour) should be used. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level. Provide adequate ventilation and minimize the risk of inhalation of vapors.
- **Individual protection measures, such as personal protective equipment**
  - **Eye/face protection**
    - Risk of contact: Wear approved safety glasses or goggles.
  - **Skin protection**
    - **Hand protection**
      - Wear appropriate chemical resistant gloves. Rubber gloves are recommended.
    - **Other**
      - Wear appropriate chemical resistant clothing.
  - **Respiratory protection**
    - In case of insufficient ventilation, wear suitable respiratory equipment.
Thermal hazards
Wear appropriate thermal protective clothing, when necessary.

General hygiene considerations
Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants.

9. Physical and chemical properties

Appearance
- Physical state: Liquid.
- Form: Liquid.
- Color: Pale amber.
- Odor: Mild.
- Odor threshold: Not available.
- pH: 9 - 11
- Melting point/freezing point: Not available.
- Initial boiling point and boiling range: 212 °F (100 °C) (760 mmHg)
- Flash point: Not available.
- Evaporation rate: Not available.
- Flammability (solid, gas): Not applicable.

Upper/lower flammability or explosive limits
- Flammability limit - lower (%): Not available.
- Flammability limit - upper (%): Not available.

Vapor pressure: Not available.
Vapor density: Not available.
Relative density: 1.005
Solubility(ies)
- Solubility (water): Not available.
- Partition coefficient (n-octanol/water): Not available.
Auto-ignition temperature: Not available.
Decomposition temperature: > 392 °F (> 200 °C)
Viscosity: Not available.
Other information
- VOC (Weight %): 8 g/l (including water)

10. Stability and reactivity

Reactivity
The product is stable and non-reactive under normal conditions of use, storage and transport.

Chemical stability
Material is stable under normal conditions.

Possibility of hazardous reactions
Will not occur.

Conditions to avoid
Heat, flames and sparks.

Incompatible materials
Oxidizing agents.

Hazardous decomposition products

11. Toxicological information

Information on likely routes of exposure
- Inhalation: In high concentrations, vapors may be irritating to the respiratory system.
- Skin contact: May cause skin irritation.
- Eye contact: May cause eye irritation.
- Ingestion: May cause discomfort if swallowed.

| 12. Ecological information | |
| Ecotoxicity | The product is not classified as environmentally hazardous. However, this does not exclude the possibility that large or frequent spills can have a harmful or damaging effect on the environment. |
| Persistence and degradability | No data available. |
| Bioaccumulative potential | No data available. |
| Mobility in soil | No data available. |
| Mobility in general | No data available. |
| Other adverse effects | Not available. |

| 13. Disposal considerations | |
| Disposal instructions | Collect and reclaim or dispose in sealed containers at licensed waste disposal site. Dispose of contents/container in accordance with local/regional/national/international regulations. |
| Local disposal regulations | Disposal in accordance with all applicable regulations. |
| Hazardous waste code | The waste code should be assigned in discussion between the user, the producer and the waste disposal company. |
| Waste from residues / unused products | Dispose of in accordance with local regulations. |
| Contaminated packaging | Empty containers should be taken to an approved waste handling site for recycling or disposal. Since emptied containers may retain product residue, follow label warnings even after container is emptied. |

| 14. Transport information | |
| DOT | Not regulated as dangerous goods. |
| IATA | Not regulated as dangerous goods. |
| IMDG | Not regulated as dangerous goods. |
| Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code | Not applicable. |
15. Regulatory information

US federal regulations

This product is not known to be a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

This material contains one or more substances which requires export notification under TSCA Section 12(b) and 40 CFR Part 707 Subpart D:
Partially Fluorinated Acrylic Copolymer
PMN Number: P-08-0643

TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)
Regulated.

OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050)
Not listed.

CERCLA Hazardous Substance List (40 CFR 302.4)
Not listed.

Superfund Amendments and Reauthorization Act of 1986 (SARA)

Hazard categories
Immediate Hazard - No
Delayed Hazard - No
Fire Hazard - No
Pressure Hazard - No
Reactivity Hazard - No

SARA 302 Extremely hazardous substance
Not listed.

SARA 311/312 Hazardous chemical
No

SARA 313 (TRI reporting)
Not regulated.

Other federal regulations

Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List
Not regulated.

Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)
Not regulated.

Safe Drinking Water Act (SDWA)
Not regulated.

US state regulations

This product does not contain a chemical known to the State of California to cause cancer birth defects or other reproductive harm.

US. Massachusetts RTK - Substance List
Not regulated.

US. New Jersey Worker and Community Right-to-Know Act
Not listed.

US. Pennsylvania Worker and Community Right-to-Know Law
Not listed.

US. Rhode Island RTK
Not regulated.

US. California Proposition 65
Not Listed.
